

# DIAMOND *de Jessica Martin*

## 1. DIAMOND

Diamond, Diamant

Diamond, c'est moi, c'est vous, c'est lui, c'est elle, c'est eux

Diamond, c'est NOUS

Diamond, c'est une invitation à aller ver SOI

A oser être soi

A se connaître

A se découvrir et à connaître sa valeur

«I won't say yes, If I mean no»

C'est ne plus dire OUI quand on veut dire NON

C'est « Comme des enfants » apprendre à rigoler et à s'émerveiller face aux choses simples de la vie

C'est « Loneliness is a blessing be lonely is not a sin » Comprendre qu'il n'y a pas de mal à être avec soi-même.

Dédiaboliser la solitude.

C'est «I'm a soldier, I'm a diamond in the sky, I am FIRE». C'est plier mais pas casser. C'est tomber mais se relever plus fort.

C'est « I will go far, far». C'est s'éloigner de tout ce et ceux qui n'ont plus leur place dans notre vie. Ceux qui nous jugent, nous humilient, nous isolent et nous rabaisent.

C'est « No, no, no don't put me in that box no, no, no». C'est «Hey Mysterious Man, who do you think you are to make me fall in love and leave me just like that. » C'est déplaire mais dire ce qu'on a à dire.

Diamond, c'est «Maybe is a game I played with you. Maybe is this song I wrote for you. Maybe is a liar, maybe is a liar! »

C'est ne plus se fier aux apparences. Ne plus espérer des changements en vain.

Ferme les yeux

Ne parle pas

Voyageons

Diamond c'est un voyage vers soi, un voyage vers l'autre

Ferme les yeux

### 3. COMME DES ENFANTS

Si demain ne vient pas

Où irais-je?

Si je n'étais pas moi

Qui serais-je?

Si le temps n'existait pas

M'aimerais-tu comme avant?

Mais le temps n'attend pas non

Le temps n'attend pas

**Alors jouons comme des enfants**

**Dansons comme des enfants**

**Pleurons comme des enfants**

**Continuons à nous aimer comme avant**

Le temps passera et il balayera

Toutes nos blessures

Tous ces mots qu'on a regrettés

Ces cris poussés à tort

Chacun de nos efforts

Chérissons nos souvenirs et

Vivons !

Et puis...

**Jouons comme des enfants**

**Dansons comme des enfants**

**Pleurons comme des enfants**

**Continuons à nous aimer comme avant**

(Pont)

Comme des enfants

ouh...

**Jouons comme des enfants**

**Pleurons comme des enfants**

**Continuons à nous aimer comme avant**

## 12. I WILL GO FAR

Humm, hum...

I will go...

Hey, my friend

I'm singing for you today

What a mess you made?

What a shame!

I believed in you

I believed in your lies

But now it's time

To say goodbye to you

**Cause I will go (far, far)**

**Far from you (far, far)**

**Far from the pain (far, far)**

**You did to me yeah (far, far)**

I will go (far, far)

Far from you (far, far)

Far from you (far, far)

Far from us (far, far)

Yeah I made mistakes and I will never ask you  
to love me

My heart made me blind but now I can say  
that I see

The mistake I made was to believe in every  
single thing you told me

About you, about them But I decided to be  
someone you didn't want me to be

Yeah I broke all my chains I just wanted to be  
me (to be free)

But I decided to be someone you didn't want  
me to be

Yeah I broke all my chains

**And I will go (far, far)**

**Far from you (far, far)**

**Far from the pain (far, far)**

**You did to me boy (far, far)**

Yeah I will go (but I decided to be someone  
you didn't want me to be)

Far from you (yeah I broke all my chains I just  
wanted to be me, to be free)

Far from the pain (but I decided to be  
someone you didn't want me to be)

You did to me (yeah I broke all my chains)

I will go

Far, far....
